

COLOR ME!

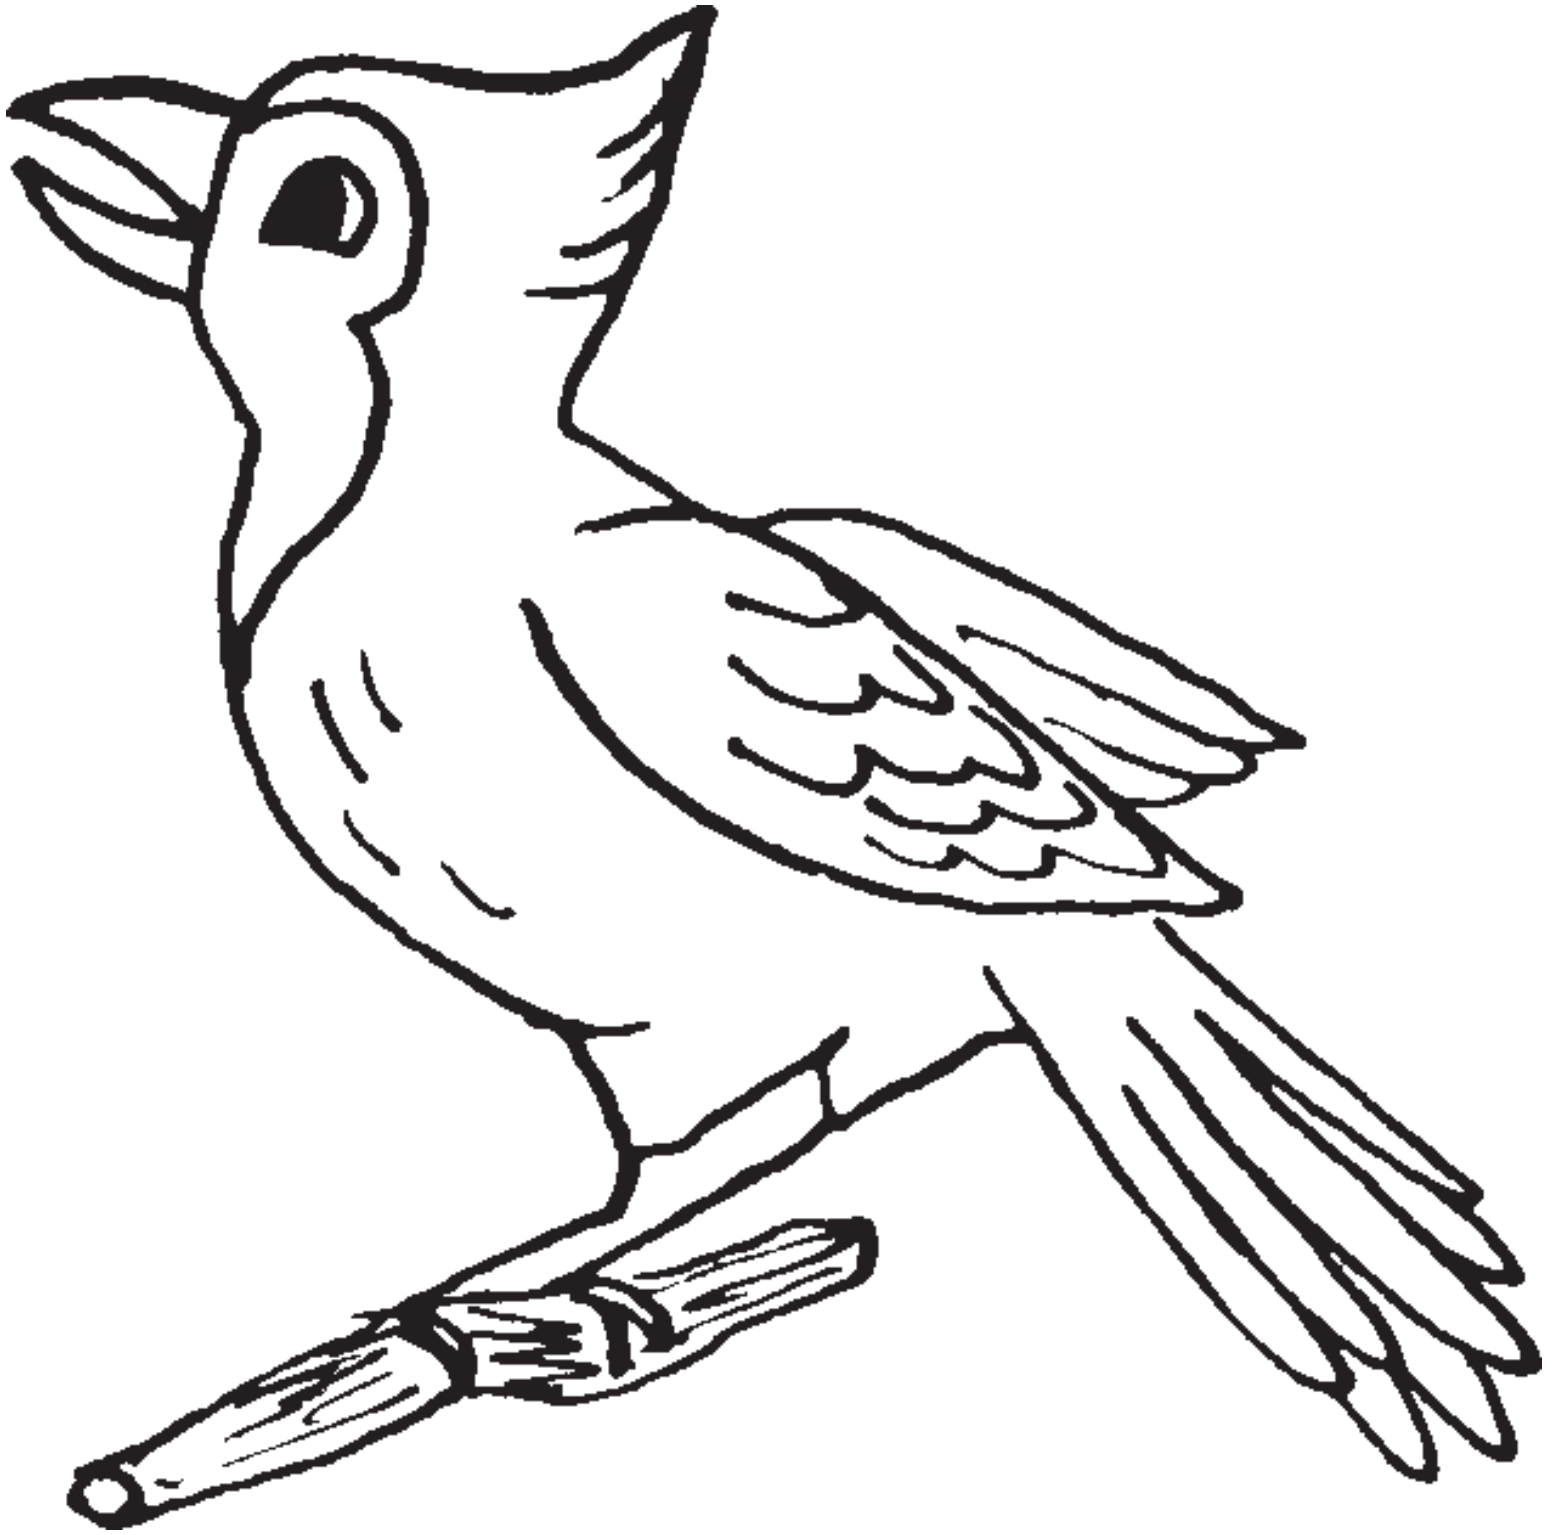

This Coloring Book Belongs To:

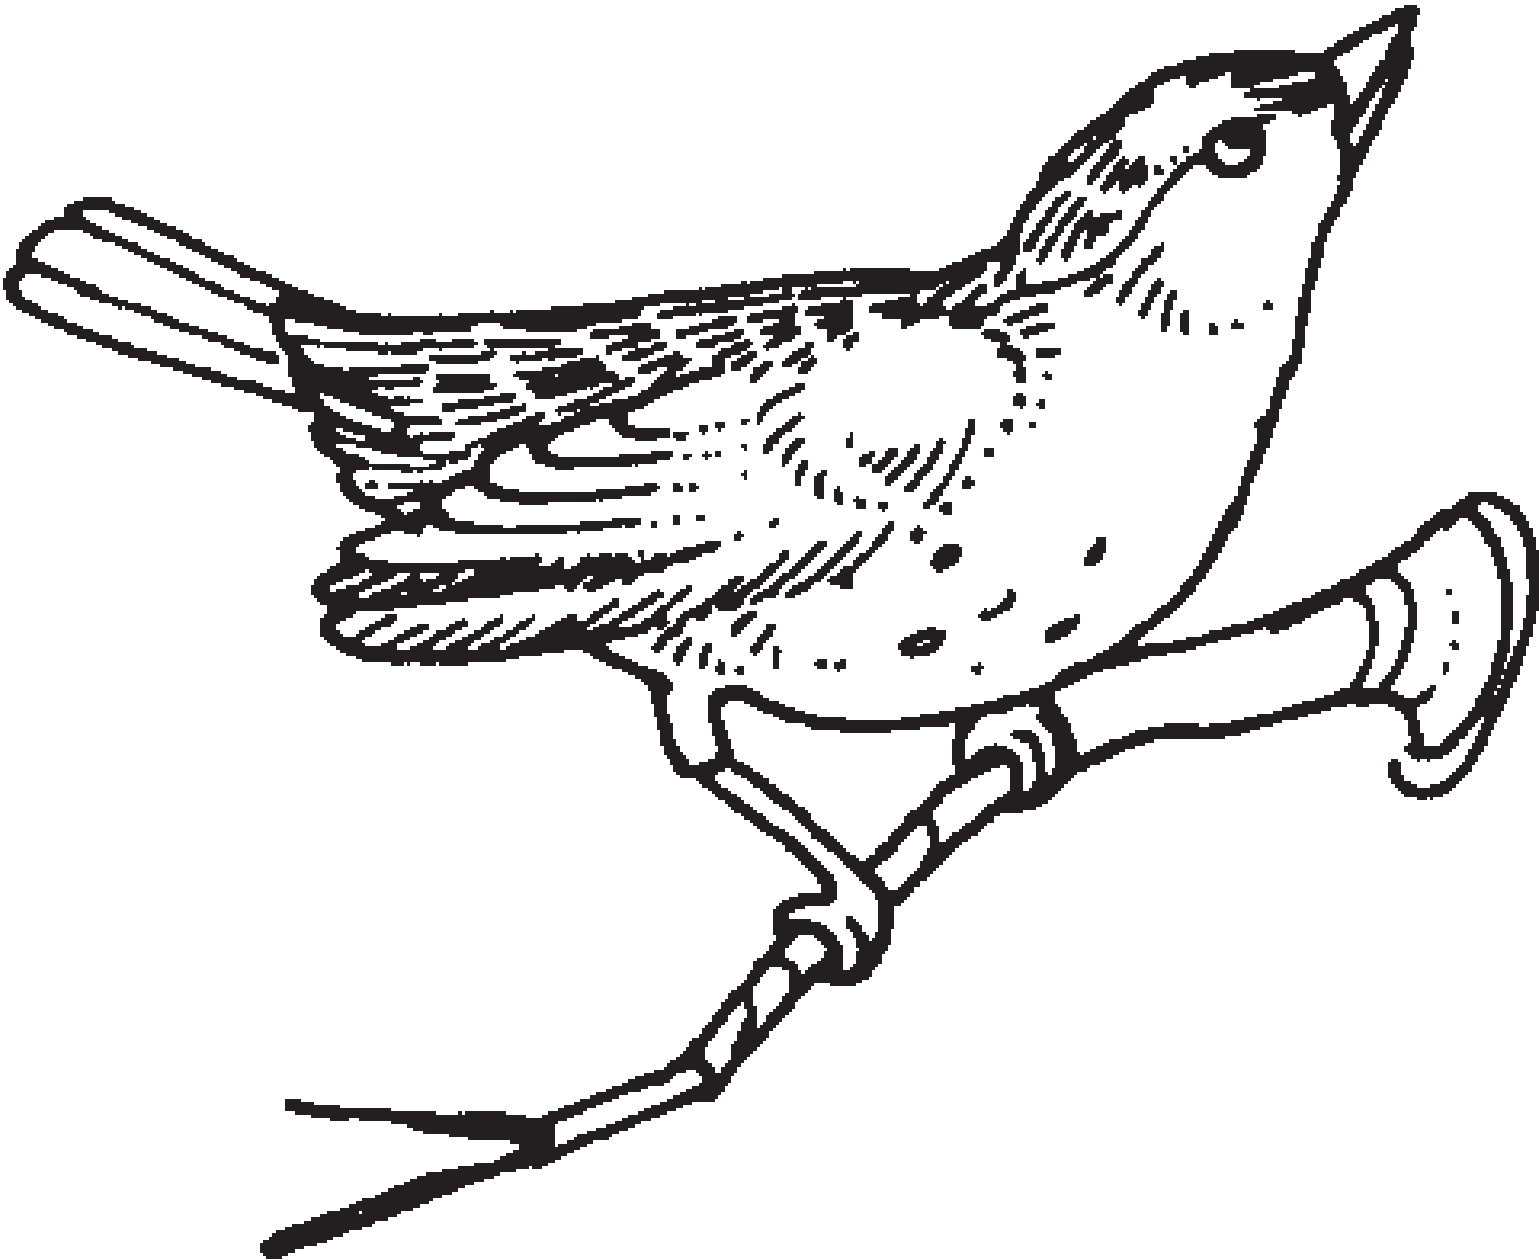

This baby bird stays safe in his nest. Have you ever seen a birds nest?

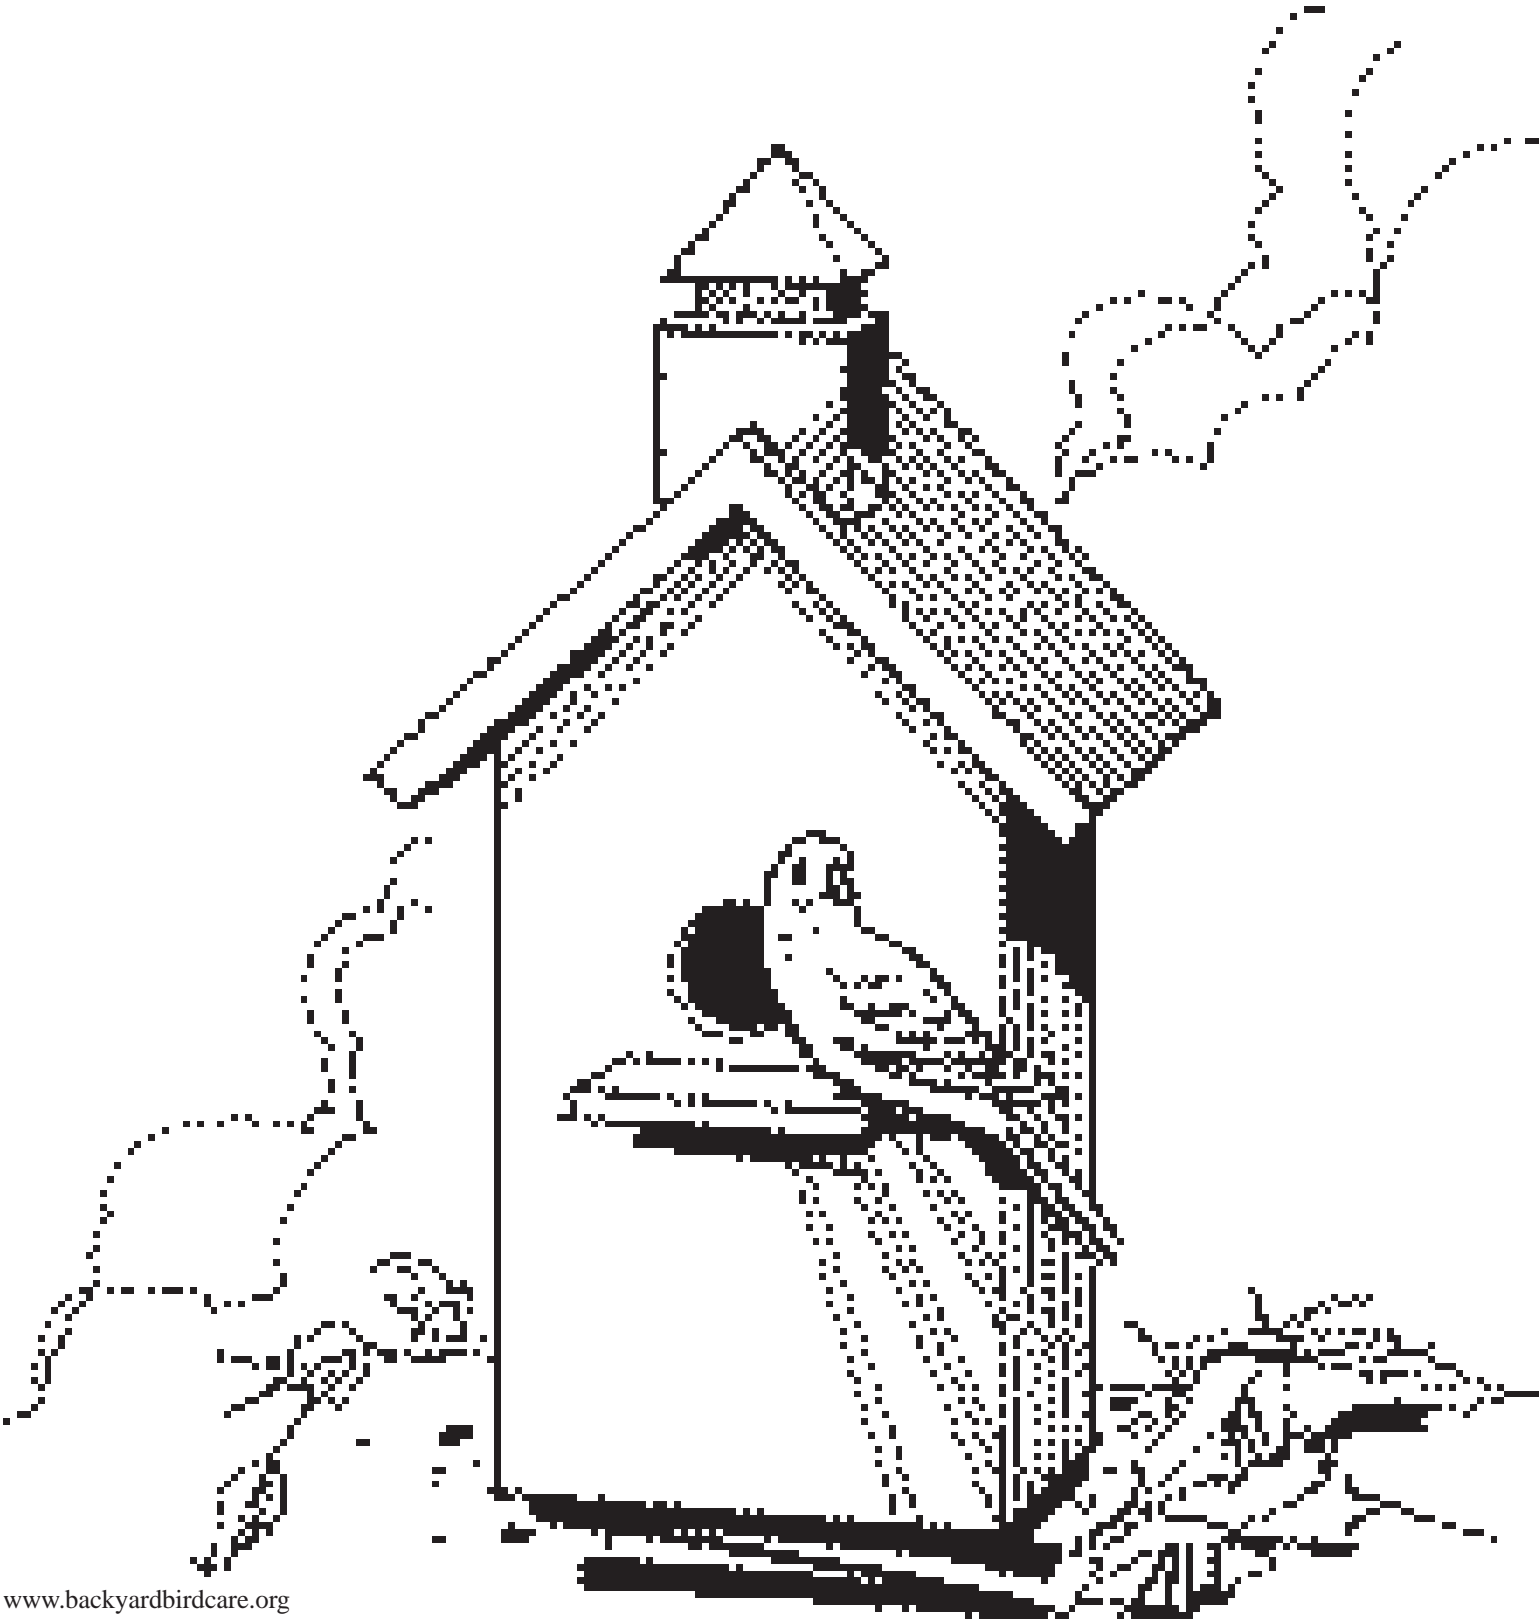

This is a bluejay. He'll look pretty when you color him blue!

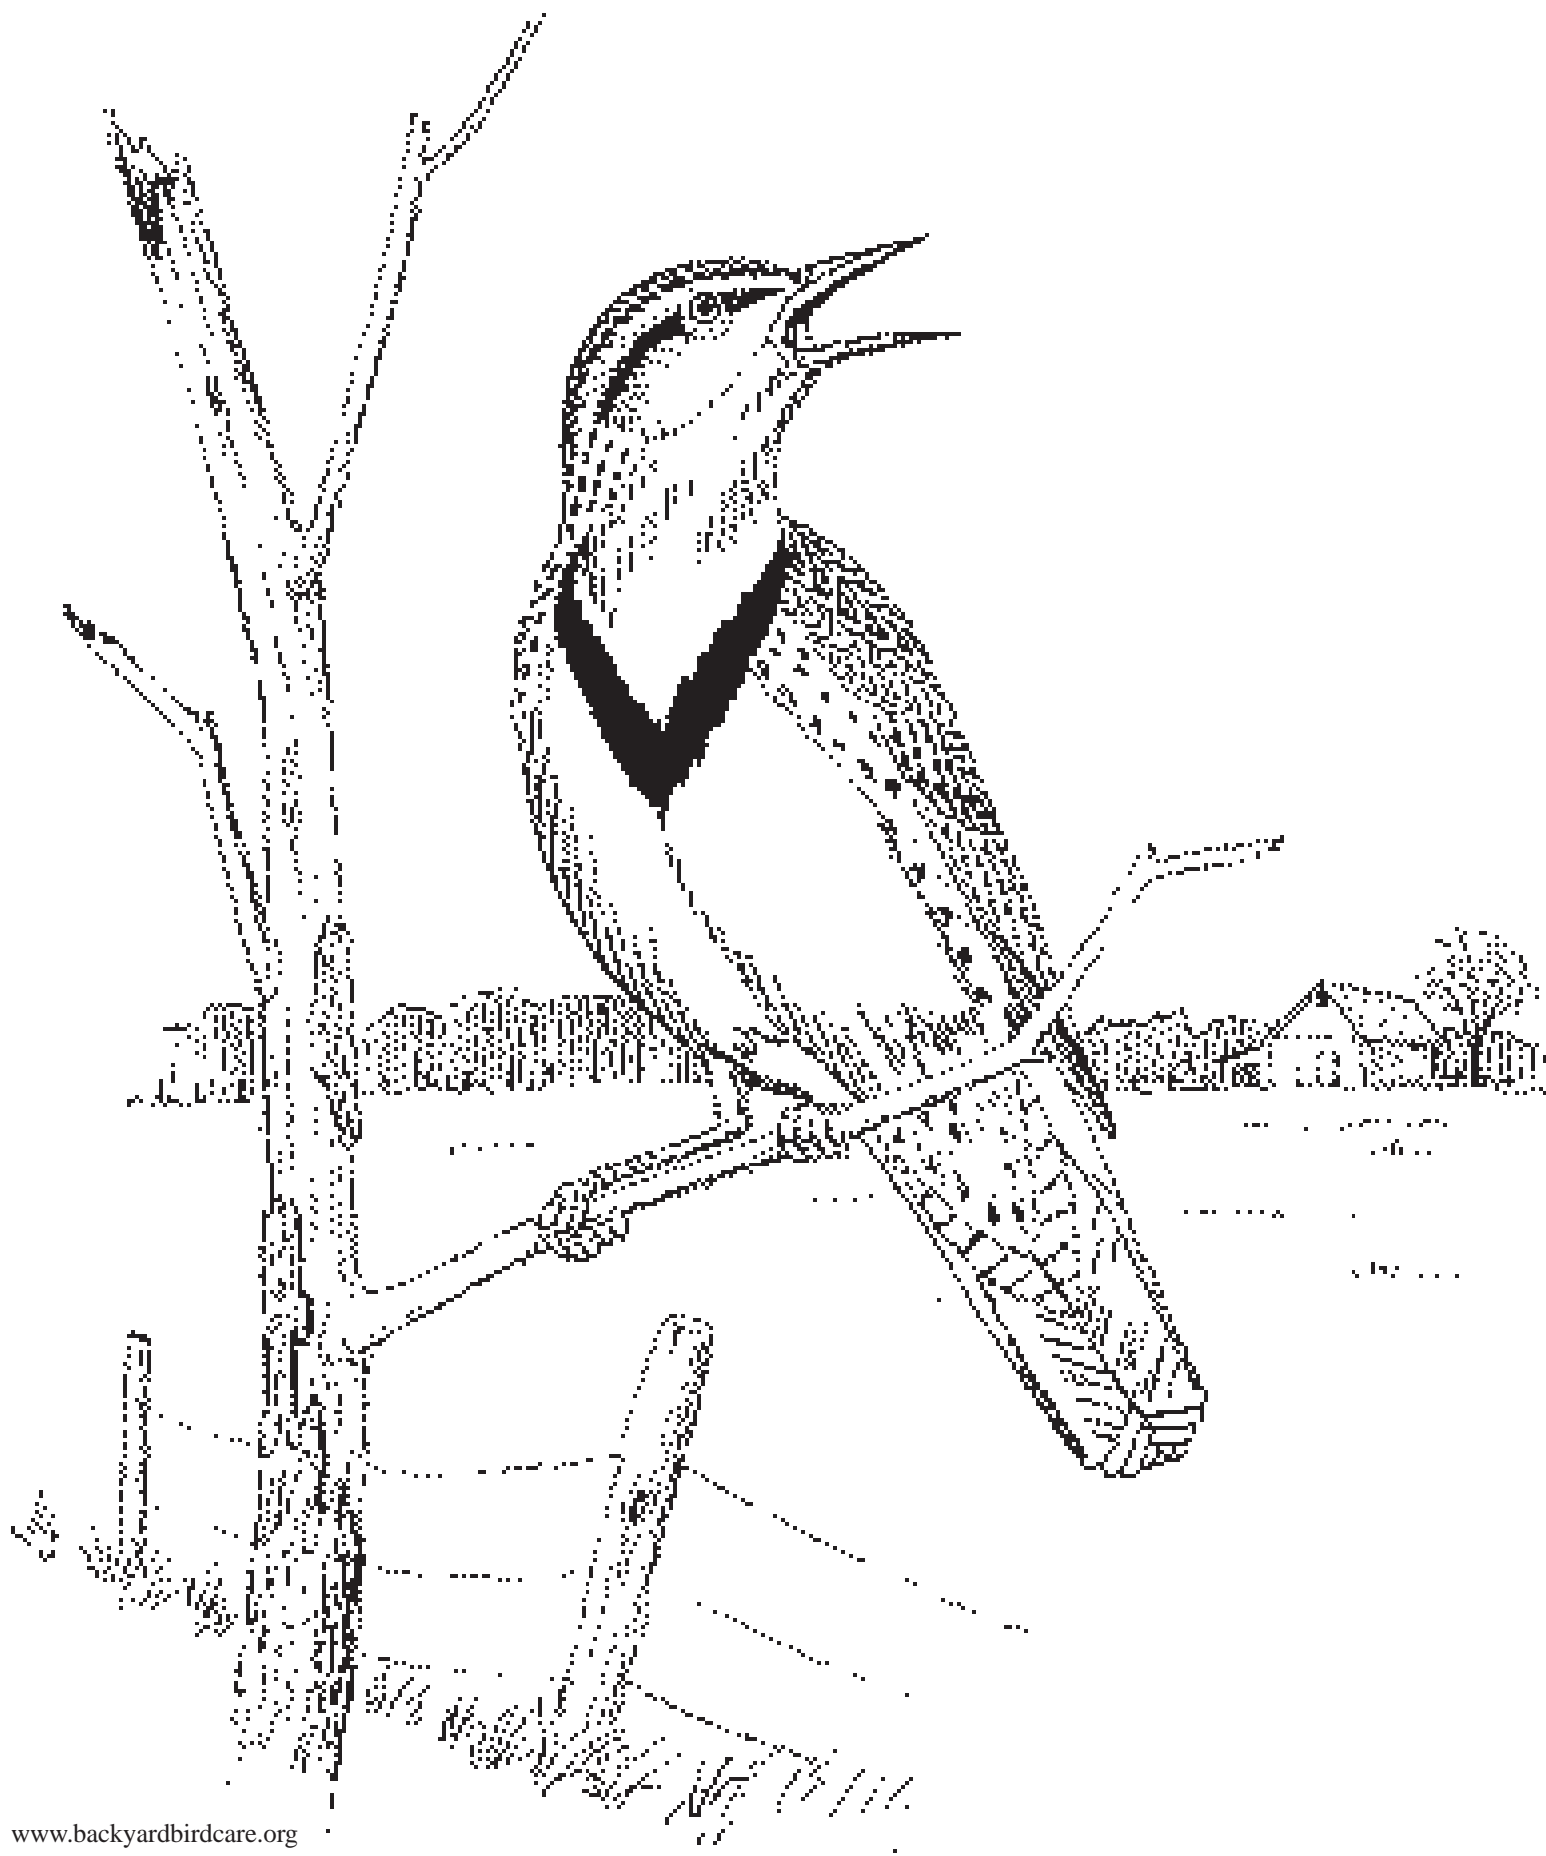

Some birds eat insects and the fruit from trees. What do you think this bird eats?

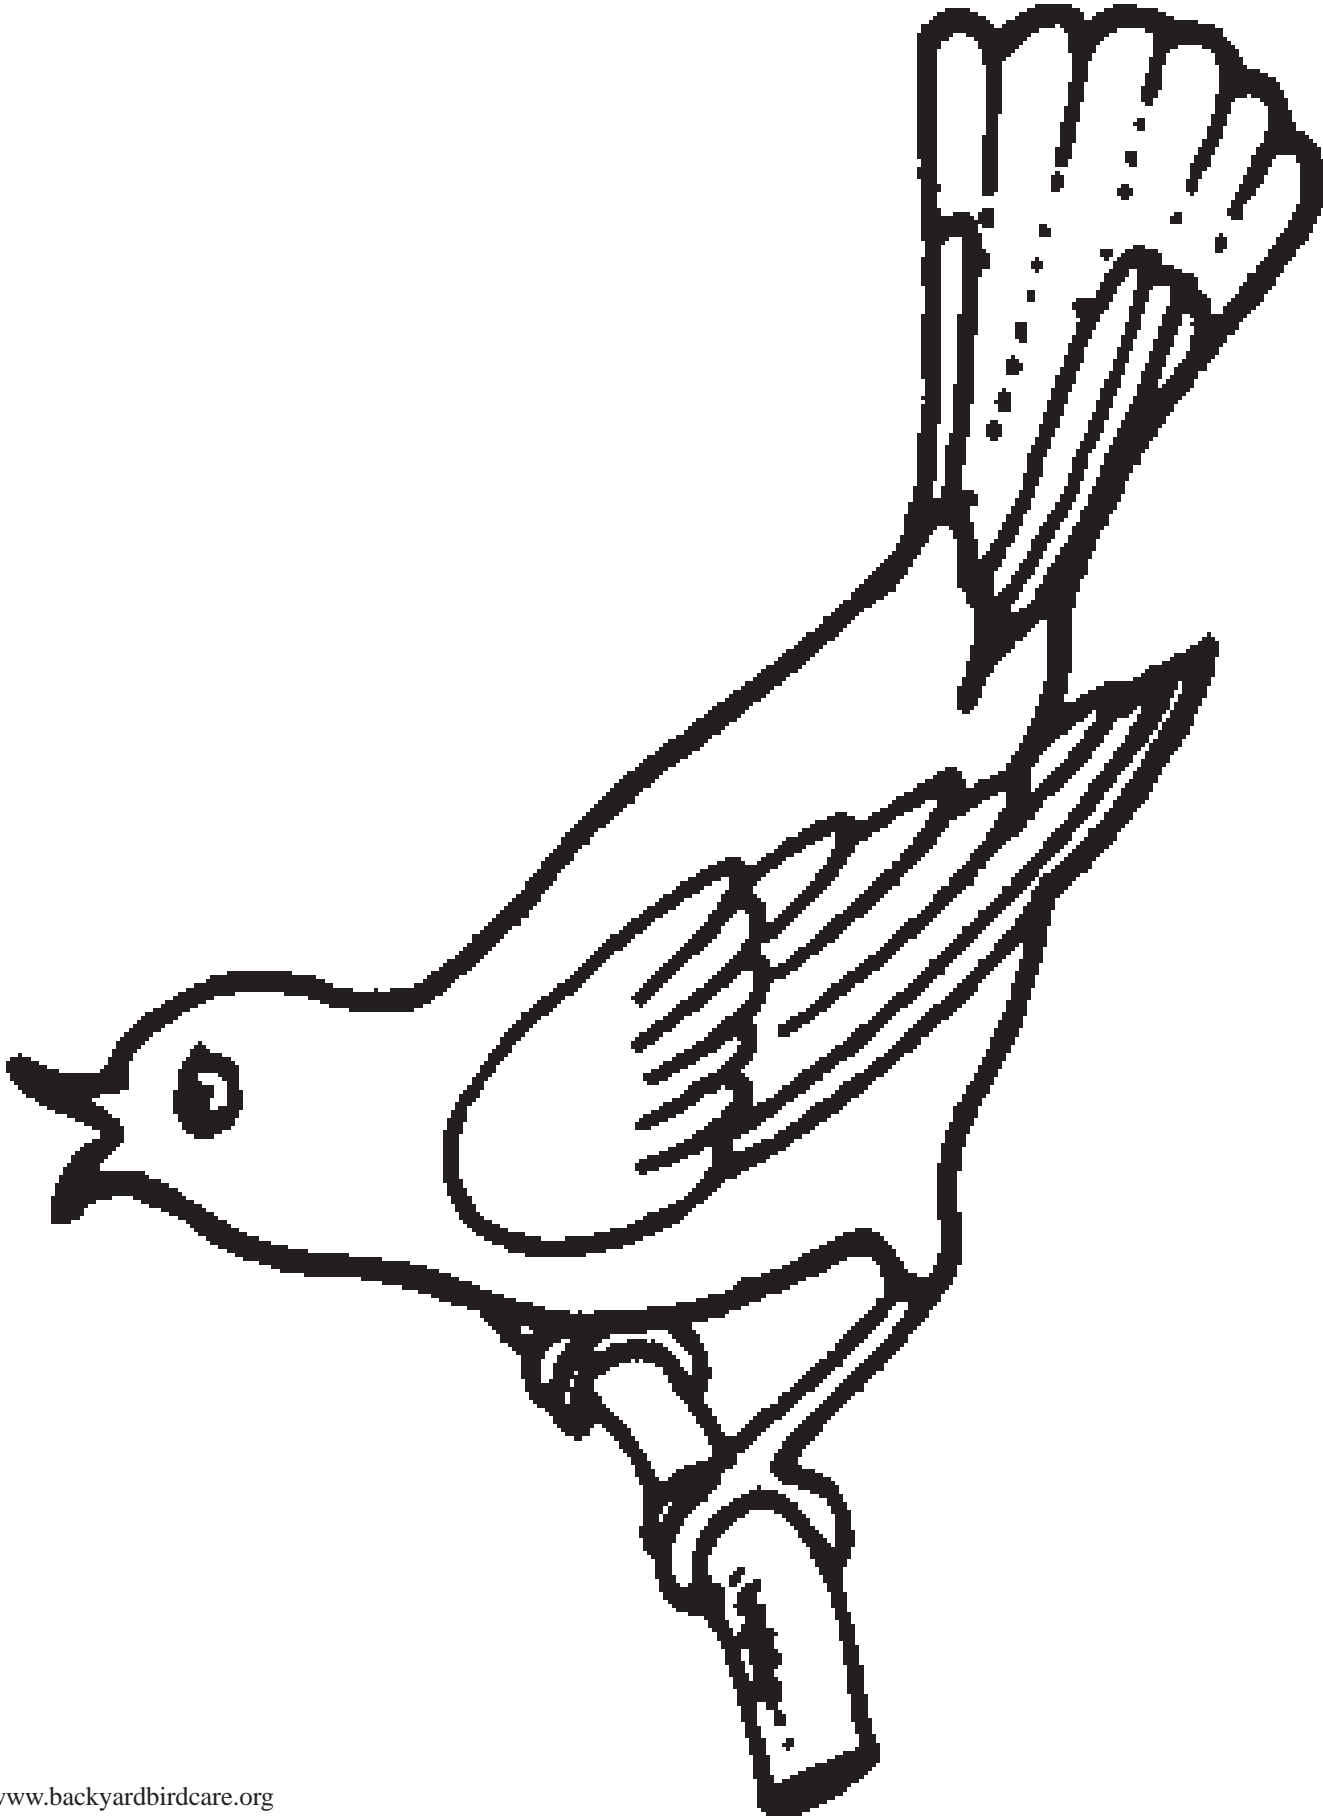

Birdhouses come in different styles and colors. What color is your house?

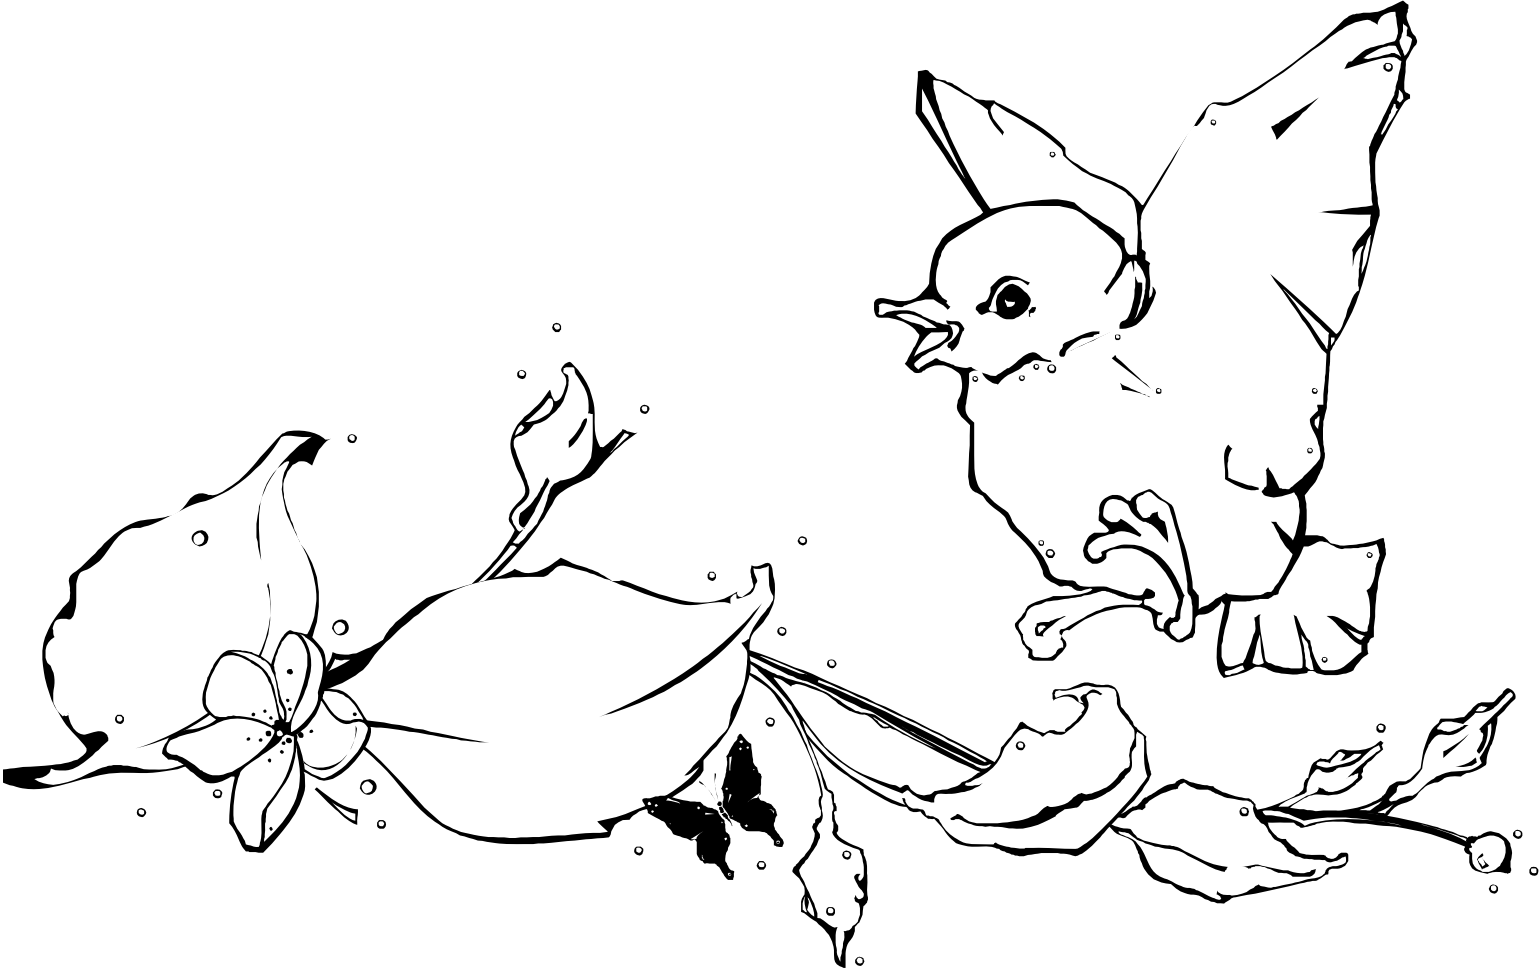

This bird lives in the country. Do you live in the country or a city?

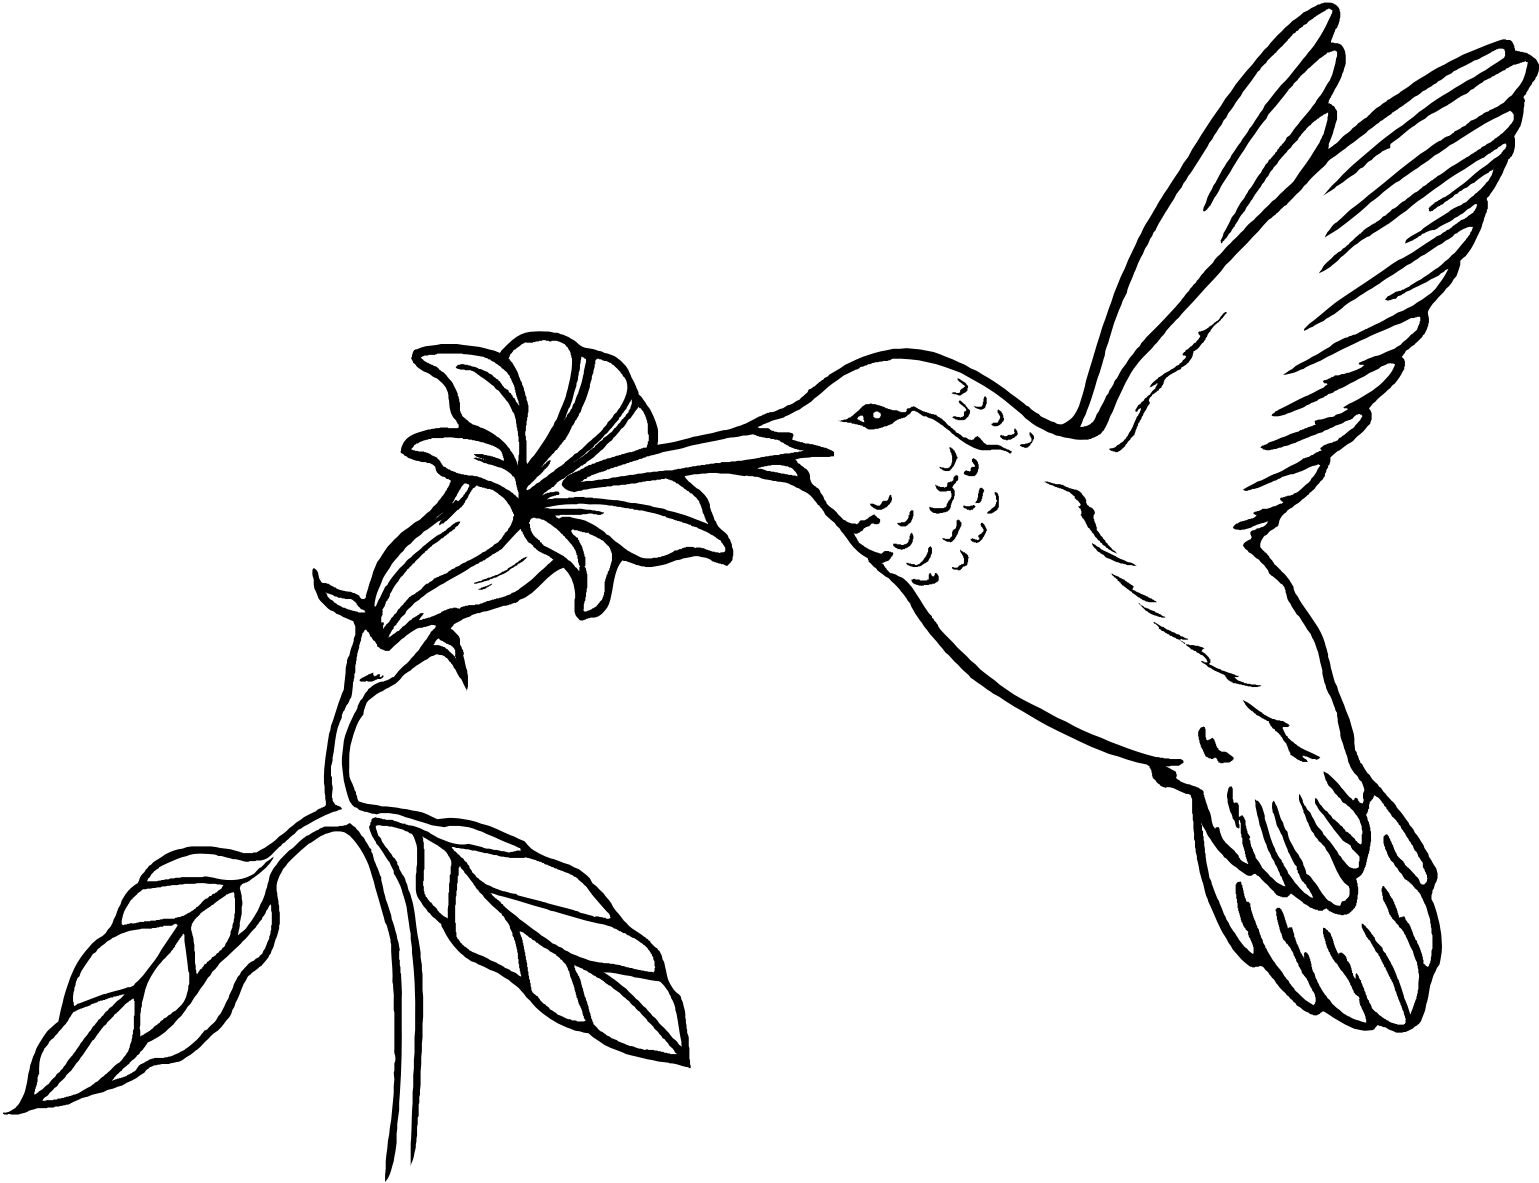

Songbirds make pretty sounds. Can you hear them singing?

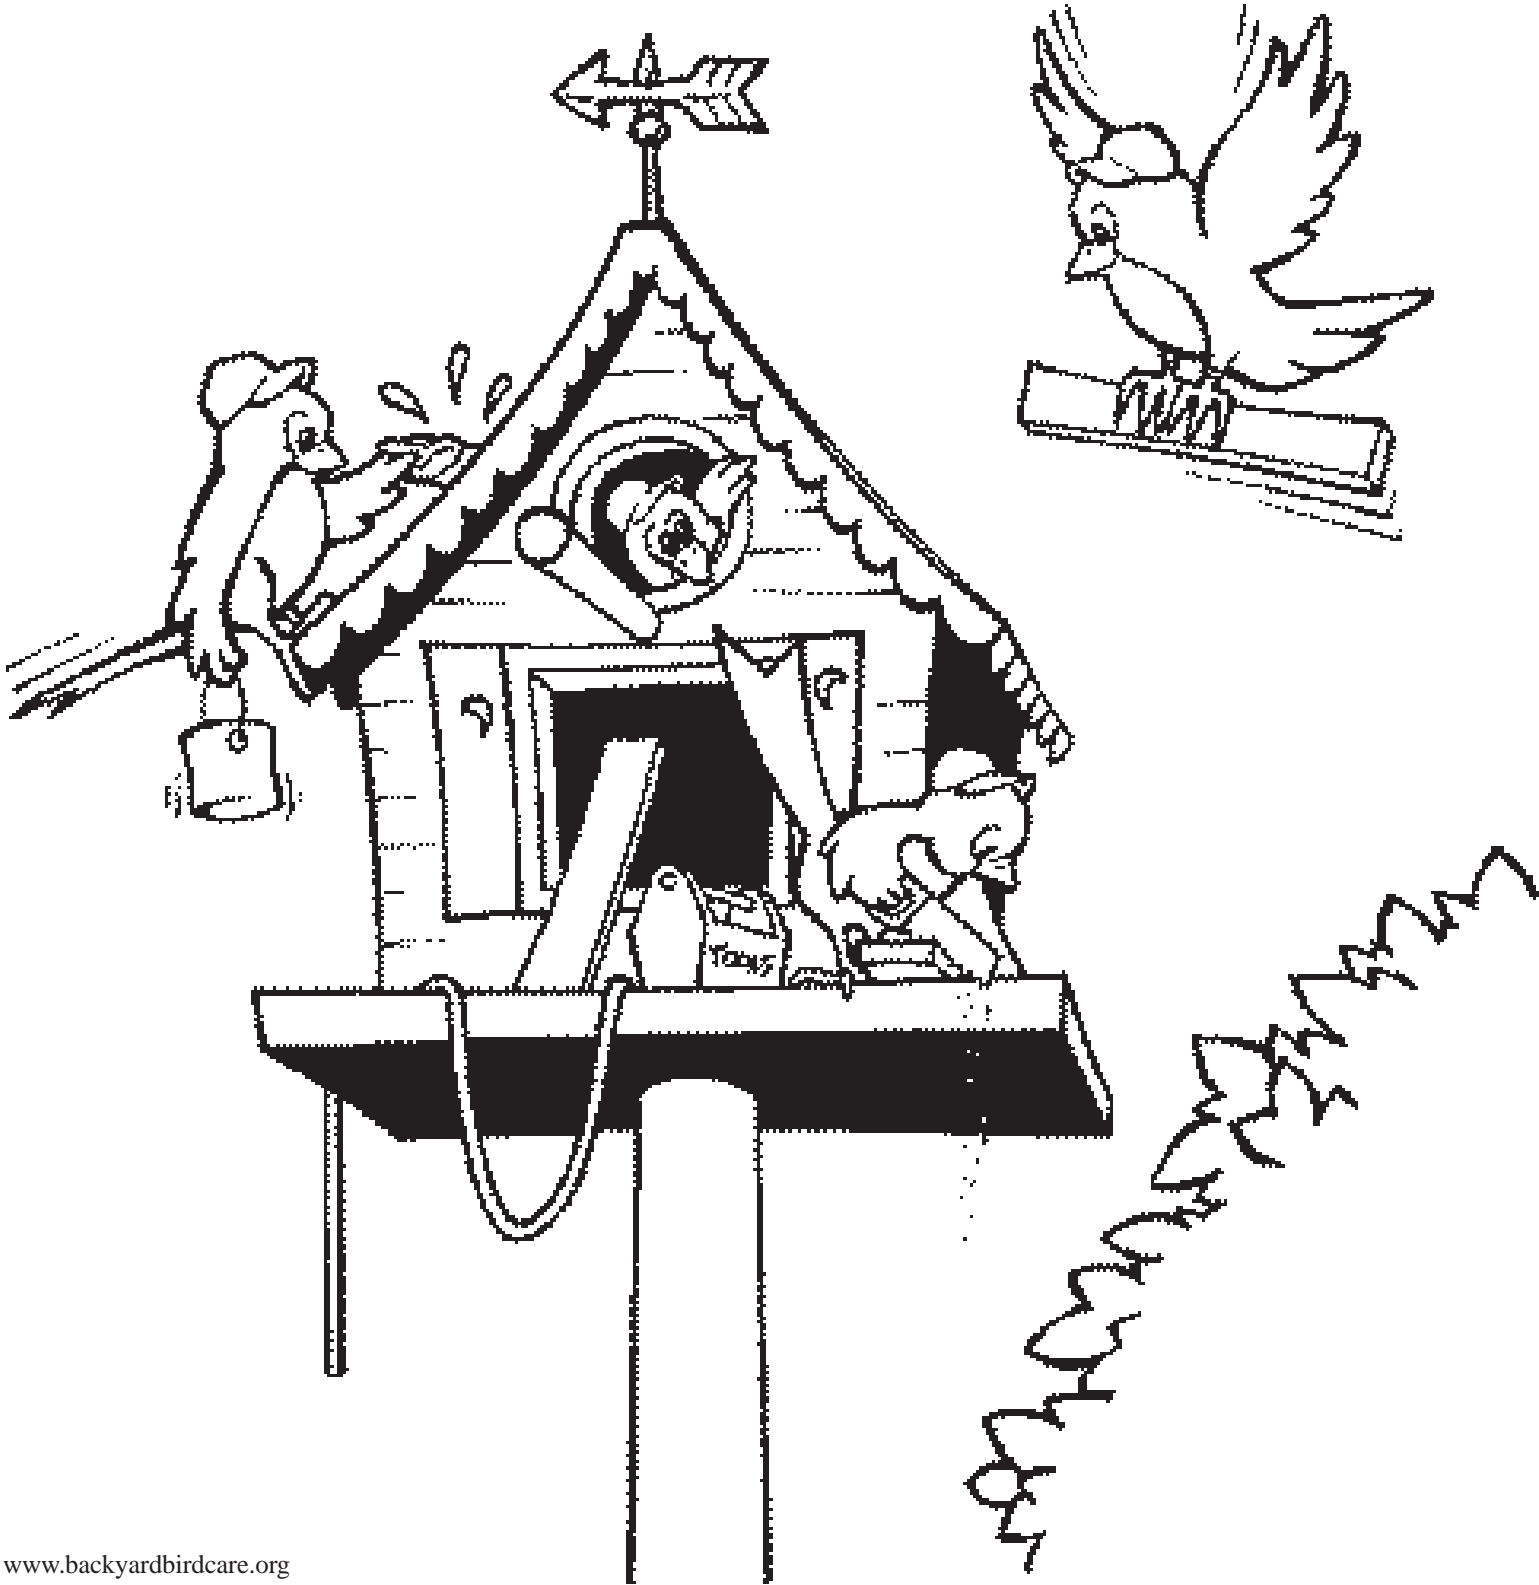

Birds love trees. They give birds shelter and a place to rest.

Hummingbirds love nectar. An adult can help you make your own recipe. (See Seasonal Tips for details)

Clean and repair bird houses often. The birds will be happier and healthier!

Water, food and shelter are important through the winter. Have you fed the birds today?

Which birds will you see at your backyard feeder?
